

Muhr Metalltechnik GmbH + Co KG

About this organisation

Machine translation

This organisation has been machine-translated based on data provided in German.

As a family-run, medium-sized group of companies based in Wenden in the Sauerland region, we have continuously expanded our production capacities so that we can now offer our customers optimised complete solutions from component design to large-scale production. We stand for flexibility, reliability and extensive experience in the core competences of forming and welding technology.

Collaboration in the WiLeitNu project. Creation of the production concept for the panelling of the door leaf and prototype production of demonstrator components.

Dia-therm-Str. 1
57482 Wenden
North Rhine-Westphalia
Germany

Organisation type

Small or medium-sized enterprise

Sectors

Employees

250 up to 499

Turnover

€10m - €50m

Funding

n/a

Main areas covered

Component production

Infrastructure

Certifications

Keywords

Memberships

Muhr Metalltechnik GmbH + Co KG

Overview of lightweighting expertise

Machine translation

This organisation has been machine-translated based on data provided in German.

	Research	Development	Manufacturing & Supply
Offer			
Products Parts and components, Semi-finished parts		✓	✓
Services & consulting Training, Prototyping, Validation, Simulation, Technology transfer		✓	✓
Field of technology			
Design & layout Lightweight manufacturing		✓	✓
<i>Functional integration</i>			
Measuring and testing technology Component and part analysis, Visual analysis (e.g. microscopy, metallography), Materials analysis, Destructive analysis, Non-destructive analysis		✓	✓
Modelling and simulation Materials			✓
<i>Plant construction & automation</i>			
<i>Recycling technologies</i>
