## About this organisation

### Machine translation

This organisation has been machine-translated based on data provided in German.

WELA Handelsgesellschaft mbH has been involved in sales and technical consulting in the field of fibre-reinforced plastics and composite materials for more than 28 years. We supply epoxy resins, auxiliary materials and reinforcing fibres made of glass, Aramid and carbon.

It is particularly important to us to support our customers in the development and introduction of new and more effective manufacturing processes and materials.

Tempelhofer Weg 13  
21502 Geesthacht  
Schleswig-Holstein  
Germany
