

About this organisation

Machine translation

This organisation has been machine-translated based on data provided in German.

Additive manufacturing of metal parts in all materials, as well as the entire process chain for post-processing from machining to the perfect surface.

With 25 years of experience, VMR offers the widest range of processes and technologies for metal and plastic from a single source. The combination of traditional technology and additive processes provides new solutions for product development and production.

Waldstrasse 8
78087 Mönchweiler
Baden-Württemberg
Germany

Organisation type
Small or medium-sized enterprise

Sectors

Employees
50 up to 249

Turnover
n/a

Funding
n/a

Main areas covered
Small plastic series, Small series made of metal

Infrastructure

Certifications

Keywords

Memberships
Lightweight construction BW
