

About this organisation

Machine translation

This organisation has been machine-translated based on data provided in German.

The Zimmer Group is a family business with more than 40 years of experience. In all our strategic decisions, two things count above all: long-term orientation and sustainability. We stand for sophisticated process solutions in various areas of technology, not only in development, but also in production.

A wide range of process technologies and extensive experience in component design supported by FEM calculations enable effective use of materials.

Im Salmenkopf 5
77866 Rheinau
Baden-Württemberg
Germany
www.zimmer-group.com/de

Organisation type
Small or medium-sized enterprise

Sectors

Others: Automatisierungstechnik

Employees
500 and more

Turnover
More than €50m

Funding
n/a

Main areas covered Handling technology, Damping technology, Linear technology, Machine technology and systems engineering, Process engineering

Infrastructure MIM: METAL INJECTION MOULDING, INJECTION TRANSFER MOULDING PROCESS, STRUCTURAL DAMPER

Certifications ISO 9001, ISO 14001, ISO 50001

Keywords Grippers; clamping elements; changers

Memberships VDMA

Overview of lightweighting expertise

Machine translation

This organisation has been machine-translated based on data provided in German.

	Research	Development	Manufacturing & Supply
Offer			
<i>Products</i>			
<i>Services & consulting</i>			
Field of technology			
<i>Design & layout</i>			
<i>Functional integration</i>			
<i>Measuring and testing technology</i>			
<i>Modelling and simulation</i>			
<i>Plant construction & automation</i>			
<i>Recycling technologies</i>			

Overview of lightweighting expertise
