

ThyssenKrupp System Engineering GmbH

About this organisation

Machine translation

This organisation has been machine-translated based on data provided in German.

ThyssenKrupp System Engineering GmbH

The thyssenkrupp System Engineering business unit was split into two independently operating companies with different product ranges as of 1 March 2021. In future, the drive and battery assembly activities will be managed by thyssenkrupp Automation Engineering in the Multi Tracks segment. Body assembly and the series production of lightweight body components will in future be managed by thyssenkrupp Automotive Body Solutions in the Automotive Technology segment.
