Rohmann GmbH

About this organisation

Machine translation

This organisation has been machine-translated based on data provided in German.

Since 1977, we have been developing, producing and selling eddy current testing devices and systems that are now used worldwide for crack, heat treatment, material mix-up and grinding burn testing.

Non-destructive material testing using eddy current

Carl-Benz-Str. 23
67227 Frankenthal
Rhineland-Palatinate
Germany
