

Hugo Reckerth GmbH

About this organisation

Machine translation

This organisation has been machine-translated based on data provided in German.

Experienced and innovative in the development and production of motor, belt and special spindles, we are one of the internationally recognised quality suppliers. Our range of services includes standardised model series as well as individual and future solutions. Reckerth spindles and Reckerth services are the basis of success for our clientele, a reliable foundation in terms of technology and service.

Small and compact design of motorised spindles

Raiffeisenstraße 15
70794 Filderstadt-Bonlanden
