

MHR Vertriebs- und Service GmbH

Engineering services

About this organisation

Machine translation

This organisation has been machine-translated based on data provided in German.

Specialised medium-sized engineering service provider for product and system manufacturers in the aerospace, electrical engineering, mechanical and plant engineering and defence sectors.

Provision of engineering services for the development and design of lightweight construction products/systems in the civil and military sector in particular, as well as the creation of logistical concepts for their supply.

Robert-Bosch-Str. 3
85521 Ottobrunn-Riemerling
Bavaria
Germany
