## About this organisation

### Machine translation

This organisation has been machine-translated based on data provided in German.

Leichtbau BW GmbH is a Baden-Württemberg state agency for the promotion of business and science. As a 100 per cent state-owned company, we act as a neutral and cross-sector contact for industry, research and society. Leichtbau BW supports the transfer of technology and knowledge in lightweight construction and helps companies and research organisations to find new cooperation partners.

Leichtbau BW represents a network of over 1,300 lightweight construction companies and 200 research institutions in Baden-Württemberg. Under our motto "Less is more. Value.", we support the commercialisation of new ideas and promote innovation potential as well as the establishment of academic and industrial training in lightweight construction.
