Development and production of light alloy wheels for the international automotive market.

The family-owned company BORBET with the companies BORBET GmbH, BORBET Austria GmbH, BORBET Sachsen GmbH, BORBET SA (PTY) Ltd, BORBET Thüringen GmbH and BORBET Vertriebs GmbH designs, develops, produces and markets light alloy wheels with the highest quality standards for the international automotive industry and the specialised trade. We have been fulfilling this claim for decades through state-of-the-art manufacturing processes, patented and innovative production technologies, an efficiently organised integrated management system and, last but not least, competent and motivated employees.

Hauptstraße 5 59969 Hallenberg North Rhine-Westphalia Germany

BORBE	T
Organisation type Large enterprises	
Sectors E O	
Employees 500 and more	

More than €50m

Turnover

Funding n/a

Main areas covered	Development, Production, Light alloy wheels, Automotive supplier
Infrastructure	Aluminium foundry, Surface treatment, Development / Construction, Component testing
Certifications	IATF 16949:2016, ISO 9001:2015, ISO 14001:2015, ISO 45001:2018, ISO 50001:2018
Keywords	Light alloy wheels, Family business, Casting technology, Technology pioneer, Market leader
Memberships	EUWA, ASI, GDA, ETRTO, VDA, VDAT
