

Werner Sobek Group

About this organisation

Machine translation

This organisation has been machine-translated based on data provided in German.

Werner Sobek stands for engineering, design and sustainability worldwide. The group of companies is represented in Stuttgart, Buenos Aires, Dubai, Frankfurt, Istanbul, London, Moscow, New York and Buenos Aires. The office's work is characterised by high-class design based on outstanding engineering and ingenious concepts for minimising energy and material consumption.

Founded in 1992, the company has more than 300 employees and works on all types of buildings and materials. It specialises in building construction, façade planning and sustainability consulting. All projects are based on the principle of working with a minimum of resources.

Albstr. 14
70597 Stuttgart
