

Central Association of the German Construction Industry

Federal Association of Finishing and Facade in the ZDB

About this organisation

Machine translation

This organisation has been machine-translated based on data provided in German.

The Bundesverband Ausbau und Fassade im ZDB sees itself as a contact point for enquiries of all kinds in the fields of stucco, plaster and drywall construction. It is made up of the regional specialist groups and independent specialist organisations of individual countries and regions. The focus is on the promotion of professional building culture and technical support for plastering companies, participation in vocational training and public relations work.

Training/further training, standardisation, setting of regulations

Kronenstraße 55-58
