

Eloxalwerk Ludwigsburg GmbH

About this organisation

Machine translation

This organisation has been machine-translated based on data provided in German.

We help you to develop the optimum surface for your intended use.

Eloxalwerk Ludwigsburg Helmut Zerrer GmbH, ELB for short, is a specialised service provider for technical-functional and decorative surface finishing of light metal materials. Thanks to the flexibility of the environmentally friendly, fully automatic finishing systems, the processes are suitable for complex workpiece geometries of large components and for combinations of different requirement profiles of large surfaces.

Neckartalstraße 33
