

RSB Rudolstädter Systembau GmbH

About this organisation

Machine translation

This organisation has been machine-translated based on data provided in German.

RSB Rudolstädter Systembau GmbH is a medium-sized, family-run company with 140 employees and 10 trainees. RSB is active in steel construction, metal construction, commercial construction and turnkey construction. The company's own services range from planning, production and assembly to project management of complex, turnkey construction projects. The company also focuses on digitalisation and sustainable construction.

Design and construction of primary and secondary load-bearing structures of steel and metal steel and metal structures made of cold-formed profiles.
