

About this organisation

Machine translation

This organisation has been machine-translated based on data provided in German.

We, TFP Technology GmbH, are a medium-sized German manufacturer of reinforcement structures made of high-performance fibres and semi-finished textile products based on CNC laying technology. We utilise the latest TFP stick laying machines.

We can manufacture preforms up to a component size of 1,800 x 1,200 mm for thermoset and thermoplastic further processing. We are a DIN EN ISO 9001-2015 certified company.

Falgardring 2
