## Comfortable Safety

### About this organisation

#### Machine translation

This organisation has been machine-translated based on data provided in German.

Hermann Schnierle GmbH specialises in the development and production of seating and vehicle floor systems for the special vehicle sector. Schnierle is also a manufacturer of passenger and wheelchair restraint systems. The family-run company has 4 sites with approx. 25,000m<sup>2</sup> of production and storage space and has established itself as an internationally active total solution provider since its foundation in 1966.

Development of vehicle seats and seating systems using sustainable fibre-reinforced plastic components to reduce weight and cut emissions.

Dieselstrasse 43  
86368 Gersthofen  
Bavaria  
Germany

#### Organisation type

Small or medium-sized enterprise

#### Sectors

#### Employees

50 up to 249

#### Turnover

€10m - €50m

#### Funding

#### Main areas covered

Vehicle seats and seating systems

#### Infrastructure

Tensile test facility, Component testing system, Accreditation according to ECE R14/ECE R16

#### Certifications

ISO 9001:2015

#### Keywords

Vehicle seats and seating systems, Passenger restraint systems, Wheelchair restraint systems, Safety belts, Seat/sleeper bench

#### Memberships

DIN, EMG (European Mobility Group)

## Overview of lightweighting expertise
