About this organisation

Machine translation

This organisation has been machine-translated based on data provided in German.

Oskar FRECH GmbH+Co KG is a global supplier of die casting machines for zinc die casting, magnesium die casting and aluminium die casting - with individual solutions for the specific requirements of the die casting industry.

The die-casting process is particularly suitable for the efficient production of die-cast parts, sophisticated complex-shaped parts or very thin-walled lightweight constructions made of aluminium and magnesium alloys.
