

Imagine Computation GmbH

Imagine Computation GmbH

About this organisation

Machine translation

This organisation has been machine-translated based on data provided in German.

Imagine computation is a 3D planning office for the realisation of complex buildings as well as setting up BIM processes and their automation for manufacturers in the construction industry. We also conduct research in metallic 3D printing.

We look at the possible applications of 3D printing in the context of lightweight construction.

Wilhelm-Leuschner-Str. 41
60329 Frankfurt am Main
Hesse
Germany

Organisation type
Small or medium-sized enterprise

Sector
A small icon of a building with a grid pattern, representing construction or architecture.

Employees
10 up to 49

Turnover
Up to €2m

Funding

Main areas covered Freeform façade planning, CAD add-in programming

Infrastructure

Certifications

Keywords

Memberships

Overview of lightweighting expertise
